## The SAVOX® C-C440 Com-Control Unit

### Product description

The Savox C-C440 is a Com-Control/Push-to-Talk-Unit that adapts your headset to your two-way radio. The SAVOX® C-C440 also includes an emergency button option. The SAVOX® C-C440 is certified to the IP67 standard, and ATEX-approved models are available for operations in potentially explosive environments.

### The unit consists of the following parts/ functions:

1. Push-to-Talk-button
  2. Radio interconnection cable
  3. Quick release connector jack
- Integrated amplifier (not shown)  
Clip (not shown)

Optional features of the SAVOX® C-C440:

- Emergency button (4)

### Interconnection

1. Ensure that the radio is switched OFF.
2. Connect the radio interconnection cable (2) to your radio.
3. Securely fasten the SAVOX® C-C440 unit in a suitable location where the push-to-talk button can easily be operated.
4. Connect the quick release connector plug of the headset (the microphone/speaker unit) to the connector jack (3) of the SAVOX® C-C440 unit.

Attention. Certain radio versions might require the following the steps in a different order. On some models headset should first be connected to the Com-Control unit, and then the whole combination should be connected to the radio.

5. To prevent water ingress via the connector, please place the cap into the quick release connector when the headset is not in use.

### Operation

1. Ensure that the battery on your hand portable radio is fully charged.
2. Switch your hand portable radio ON.
3. Press the Push-to-Talk button and check that the two-way radio communication is working.
4. Adjust the audio level to the speaker with the VOLUME control on the radio.\*

### Emergency Button Operation

Press the emergency button on the SAVOX® C-C440 to activate the emergency function of the two-way radio.

### Cleaning

The unit can be cleaned with a damp sponge or soft brush and diluted dishwashing liquid. Clean the connectors with high quality Vaseline spray (SAVOX recommends PRF BAJOL, manufactured by Taerosol, (www.taerosol.com)) or similar type of lubricant.

**CAUTION:** Do not fully immerse the unit in water and do not apply solvents or similar caustic chemicals!

SAVOX Communications Inc. ("SAVOX") warrants that the SAVOX com-control ("the Product") will be free from defects in material or workmanship as follows:

For a time period of one (1) year from the date of purchase, SAVOX will repair or replace the Product (repair or replacement to be at SAVOX's sole discretion) if it is determined to be defective.

For an additional one-year period from the date of purchase, SAVOX will provide replacement parts or replace the Product (repair or replacement to be at SAVOX's sole discretion), however, the customer will be responsible to pay labor charges during the second year of the limited time warranty.

There are no warranties that extend beyond the limited warranty set forth above.

Certain distributed products are warranted and serviced by their original manufacturer. Please consult with your Dealer for details. During the labor warranty period, to repair the Product, Purchaser may return the defected Product, freight prepaid, or deliver it to the designated SAVOX authorized service center, the address of which can be found at [www.savox.com](http://www.savox.com). SAVOX is not obligated to provide the Purchaser with a substitute unit during the warranty period or at any time.

### CONDITIONS

1. Notification of Claims: Warranty Service: If purchaser discovers that the Product has proven defective in material or workmanship, then written notice with an explanation of the claim shall be given promptly by Purchaser to SAVOX but all claims for warranty service must be made within the warranty period. If after investigation SAVOX determines that the reported problem was not covered by the warranty, Purchaser shall pay SAVOX for the cost of investigating the problem at its then prevailing time- and materials rate. No repair or replacement by Purchaser of any Product or part thereof shall extend the warranty period as to the entire Product. The specific warranty on the repaired part only shall be in effect for a period of ninety (90) days following the repair or replacement of the part or the remaining period of the Product warranty, whichever is greater.
2. Exclusive Remedy: Acceptance: Purchaser's exclusive remedy and SAVOX's sole obligation is to supply (or pay for) all labor necessary to repair any Product

found to be defective within the applicable warranty period and to supply, at no extra charge, new or rebuilt replacements for defective parts. If repair or replacement fails to remedy the defect, then and only in such event, shall SAVOX refund to Purchaser the price for such Product. Purchaser's failure to make a claim as provided in Paragraph 1 above or continued use of the Product shall constitute an unqualified acceptance of such Product and waiver by Purchaser of all claims thereto.

3. Exceptions to Limited Warranty: SAVOX shall have no liability or obligation to Purchaser with respect to any Product subjected to abuse, improper use, negligence, accident, modification, failure of the end-user to follow the operating and maintenance procedures of the procedures outlined in the user's guide, attempted repair by nonqualified personnel, operation of the unit outside of the published environmental and electrical parameters, or if such Product's original identification (trademark, serial) markings have been defaced, altered, or removed, SAVOX excludes from warranty coverage. Products sold AS IS and/ or WITH ALL FAULTS and excludes used Products which have not been sold by SAVOX to the Purchaser.
4. Proof of Purchase: The authorized Seller's dated bill of sale must be retained as evidence of the date of purchase and to establish warranty eligibility.

### Disclaimer of warranty

Except for foregoing warranties, SAVOX hereby disclaims and excludes all other warranties, express or implied, including, but not limited to any and/or all implied warranties of merchantability, fitness for particular purpose and/or any warranty with regard to any claim of infringement that may be provided in section 2-312(D) of the uniform commercial code and/or in any other comparable state statute. SAVOX hereby disclaims any representations or warranty that the product is compatible with any combination of non-SAVOX products purchaser may choose to connect with the Product, including without limitation, portable two-way handheld transceivers and interface products.

### Limitation of liability

SAVOX is not liable for any Purchaser's sole and exclusive remedy for damages for any claim of any kind whatsoever. Regardless of the legal theory and whether arising in tort or contract, shall not be greater than the actual purchase price of the product with respect to which such claim is made. In no event shall SAVOX be liable to purchaser for any special, indirect, incidental, or consequential damages of any kind including, but not limited to compensation, reimbursement or damages on account of the loss of present or prospective profits or for death, personal injury or to property damage or for any other reason whatsoever. Purchaser agrees that the cost of the Product is a reasonable measure of Purchaser's damage in the event of a claim for damage made by the Purchaser based upon the circumstances existing at the time of the sale of the product in light of anticipated or actual harm.

This Product is for commercial use.
